

NIAES Internet Web Site

NIAES has an official Internet website in English (http://www.niaes.affrc.go.jp/index_e.html). This site provides relevant information on the international affiliations, research work, and collections of NIAES, including the Monsoon Asia Agro-Environmental Research Consortium (MARCO), Asian-Pacific Alien Species Database (APASD), Ecosystem Database, microForce (a microorganism inventory), and the Type Specimens in the NIAES Insect Museum.
